Disability Awareness Sunday

Please invite friends and family to our Disability Awareness Sunday on June 26. Special speakers will be Krista Horning and her mother, Mary. Krista, now 23 years old, was diagnosed with a rare genetic disorder called Apert Syndrome the day after her birth. She has undergone more than 60 surgeries. But you would probably never know that Krista has spent so much time in hospitals if you were to see the joy in her beautiful smile! She has written a book called *Just The Way I Am*, which demonstrates God's grace in her life. It is written from the Biblical perspective that God is good in *all* that He does. Plan to come and hear their story.

Free Health Care

St. Mary's Health Clinics provide health care at no cost to low income uninsured individuals and families in our communities. You can call 651-287-7777 for appointments and/or locations of clinics, as well as eligibility requirements.

Homebound?

We desire to know those in our church who are unable to be in our worship services on a regular basis. Please let Judy Petersen know if you or someone you know could use a home visit.

Medical Equipment

Medical Equipment can be a major expense, especially if you only need it temporarily. We offer a lending library of equipment ranging from commodes and raised toilet seats to wheelchairs, walkers, canes, crutches and more. Call to make arrangements to borrow them.
