Dear Brooklyn Park Evangelical Free Church Elder Board Members:

After almost five years of serving as Associate Pastor of Family Life Ministries and Community Outreach, we have prayerfully decided that God is bringing our ministry here at BPEFC to a close.

We believe that God ultimately determines the duration and fruitfulness of all seasons on earth, including pastoral and/or personal ministry in a particular location. Over the last year we have sensed the Lord calling us to step out in faith and following Him in a new direction. We have wrestled with this decision, but have concluded in the last few months that in obedience we must follow Him. We do not know our next step, but have been challenged in numerous ways to “step out in faith”.

I would like to conclude my ministry on June 30, 2010 to make as smooth of transitions as possible and as deemed by the Elder Board and Executive Leadership Team.

It has been a privilege to serve Christ at BPEFC and I am grateful to have had the opportunity to be “On the Journey with You.”

In Christ,

David R. Myles
