Dear Brooklyn Park EFC Family,

As you read the letter from Pastor David Myles, you will learn, as we have, that David and Tammy have sensed God's leading to "step out in faith" and move into a new season of life and ministry for their family. Though they have no clear call to another church or ministry, and they dearly love the church family here at Brooklyn Park EFC, they have also sensed a release from God to move into His unique future for them.

We love and appreciate David, Tammy and the children. We will miss the warmth, joy and enthusiasm that they have brought to our church family over the past five years. We will always count David and his family as one of our own. Please take time to express your appreciation to David, and keep he and his family in prayer as they honor God in this "step of faith."

David will continue to serve on our pastoral staff throughout the remainder of the church year ending June 30. Also, we want to show our love, support and appreciation by extending David's salary and family health insurance for the first two months of the new church year (July and August).

Mark Your Calendar: We invite you to join us for a time to honor David and his family after the second worship service on Sunday, June 13.

Elder Board of BPEFC
